From My Desk

Our February 8 pond meeting will be held at Luthys Botanical garden and Bob Streitmatter will be our speaker. Bob is always willing to answer our questions and knows so much more than most of us. Also we will ask you to share information about you pond this hard cold winter.

If you have made any changes to either your phone no or e-mail address please advise Deb Hess 309-678-8107

.

Product

Product is still being handled by Terry Hess. Bacteria is \$15, Detoxifier is \$11 Aquatic food for water plants \$5 and Regular Mazuri fish food is just \$50 and Platinum is \$65. He will bring it to the meeting or if you need it sooner just call 309-678-8107. Prices subject to change.

.Calendars

Jim Simmons will bring the extra calendars for sale to the next meeting. If you would like one sooner please call. My phone is 309-370-0460 and Jims is 309-685-3037 and his e-mail is hgtsmns4@juno.com.

We have found ourselves without a Ways and Means volunteer so unless we get someone who would like to do this fun job, we will no longer be able to offer this option for our meetings.

Setting Meetings

As the weather gets warmer we would like to meet at members houses. We want to see your pond and garden hear about how it came to be. Your yard does not need to be perfect, weeds keep growing and we understand you have a life to live. We will bring the coffee, donuts and table and the members will bring their own chairs. All you need to do is enjoy the day with us. Open months are June, July, August and September.

If you are interested in hosting a pond meeting just call Jeannie Clarke 309-370-0460.
